PRALHAD KC HONORARY CONSUL OF MASSACHUSETTS,

Best Wishes on the Auspicious Occasion of the 2570th Buddha Jayanti.

It is with great honor and deep reverence that I extend my heartfelt शुभकामना (best wishes) on the auspicious occasion of the 2570th Buddha Jayanti.

Gautama Buddha, born in Lumbini, Nepal, enlightened the world with timeless teachings of peace, compassion, non-violence, and wisdom. His message continues to guide humanity toward harmony, mutual respect, and the pursuit of truth.

On this sacred occasion, may we all reflect upon and embody the noble teachings of the Buddha in our daily lives, fostering understanding and goodwill across communities and nations. In today's complex world, his message remains more relevant than ever in promoting global peace and unity.

I commend the efforts of the Buddhist Digital Library in preserving and promoting these invaluable teachings through the publication of this digital souvenir. Such initiatives play an important role in educating present and future generations.

May this Buddha Jayanti bring peace, happiness, and prosperity to all.

With warm regards,

Pralhad KC
Honorary Consul of Nepal, Massachusetts.
